FOREWORD

As we, the Senior Class of 1963, depart as graduates, we look back at the many struggles we have faced during our high school career in order to graduate, one of the most important steps in our lives. At the same time, our state has reached its centennial celebration; it, too, coming through similar struggles since 1863 when President Abraham Lincoln signed the bill making West Virginia the thirty-fifth state in the Union.

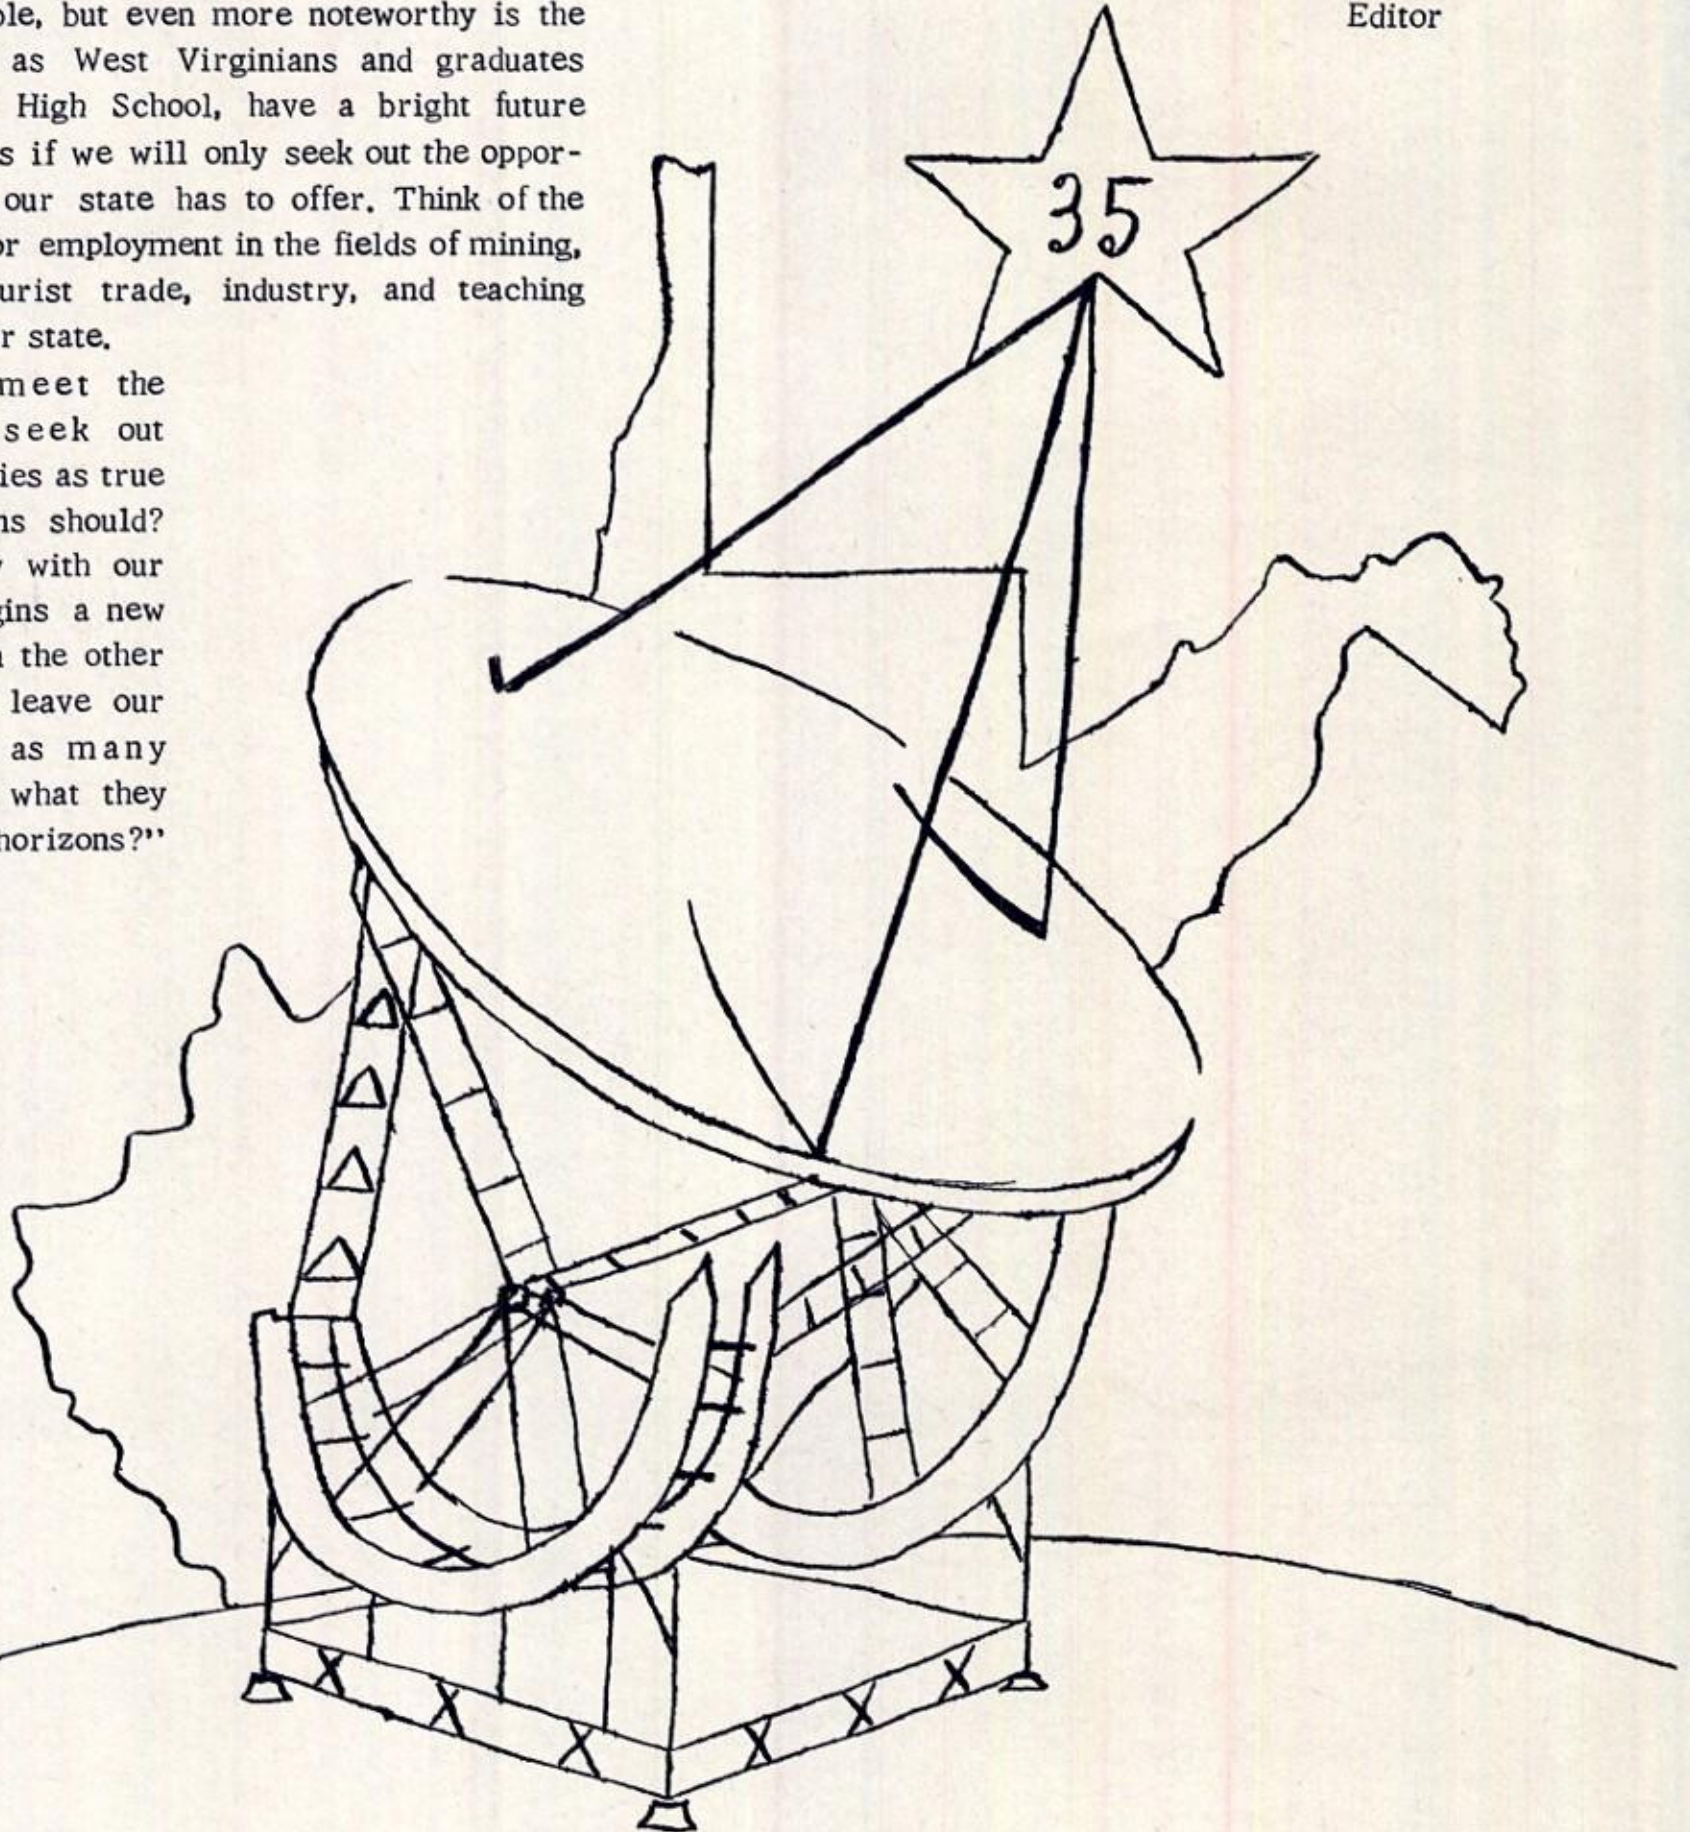

That our state contains spectacular scenery, numerous mountains, industries, and churches of all creeds is notable, but even more noteworthy is the fact that we, as West Virginians and graduates of Petersburg High School, have a bright future in store for us if we will only seek out the opportunities which our state has to offer. Think of the opportunities for employment in the fields of mining, agriculture, tourist trade, industry, and teaching right here in our state.

Will we meet the challenge and seek out these opportunities as true West Virginians should? Will we grow with our state as it begins a new century? Or, on the other hand, will we leave our home grounds as many have, to seek what they call "brighter horizons?"

Economic conditions may be better in some other states, but can we hope for them to keep on improving in West Virginia if we, the future leaders of the state, seek employment and use our talents elsewhere? Let's be on the team that keeps West Virginia on the move!

Wouldn't it be wonderful, if, say twenty years from now, the graduates from other states were coming in greater numbers to find those "brighter horizons" in our state, the finest of them all!

VIKING BAND GAINS STRENGTH

"Dashing and Distinctive" these two words seem to describe the Viking Band better than any "Mr. Webster" has to offer. During last summer some band boosters had a vision of seeing the PHS band outfitted in new uniforms. A great deal of progress had been made by the band during its one year of being reorganized and these boosters wanted this progress to continue.

A few parents started the ball rolling and soon the entire community was involved in raising

money to purchase new uniforms for the entire band. The first project was a food stand at the Tri-County Fair, and this was followed by dinners, raffles, selling projects and individual donations.

Finally enough money was raised and the Band Boosters met with the uniform company representative and designed the uniform. A total of fifty band uniforms, eight majorette uniforms, and one conductor's uniform was purchased.

BELOW: The Viking Band at the Poultry Festival.

The uniform is a new creation by Ostwald which consists of a military style black coat, with black trousers and hat trimmed in white and red. The coat may be worn in seven different styles.

The band year began in June when summer band school started. The band participated in several events including the Poultry Festival, the Highland County Fair and the Tri-County Fair Parade in which it won first place. During the fall the band added color and entertainment to all home football games by performing at half-time. Several away games were also included in their program. The band participated in the Forest Festival in Elkins and

Coach Michael's daughters,
"Little Majorettes"

THE VIKING MAJORETTES

the Buckwheat Festival in Kingwood. School spirit has been boosted by having the band play for home basketball games throughout the year.

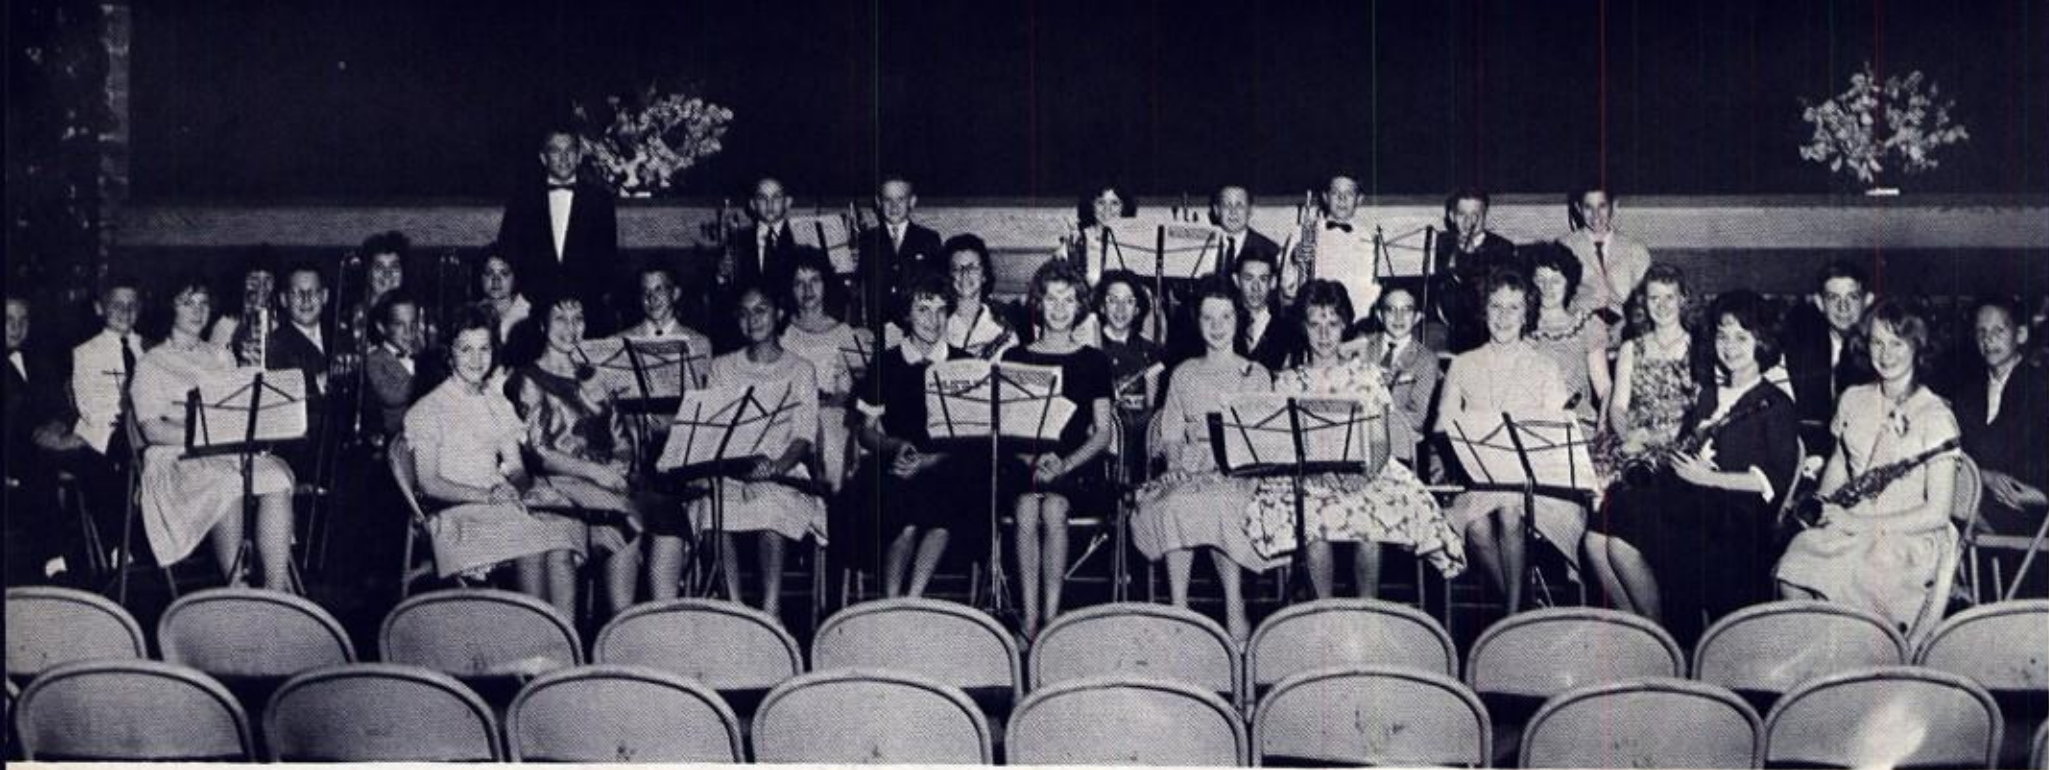

At press time plans are being made for the band to attend the All-State Band Auditions, area band clinics and festivals and the Apple Blossom Festival.

Adding beauty and vitality to the Viking Band is the group of girls who leads the band on parade. During the first week of school tryouts were held and a committee of faculty members selected eight girls to be majorettes for the year. The girls were judged on the following points: dependability, moral character, personality, grades, ability as a majorette and appearance.

Selected as head majorette was Marsha Combs, a junior who is serving her second year with the group. Shirley Roby was chosen as assistant head majorette. Shirley is a senior and has been a majorette for three years. Other veteran girls were Penny Harman, senior, third year; Grace Alt, senior, second year; and Delores Van Meter, junior, second year. Newcomers to the troupe are Ann Rodgers, junior; Janet Pack, junior; and Judy Pack, freshman. The little majorettes, Coach Michael's daughters, parade with the band at home events.

This year has been a successful one in every respect for the PHS band. The organization has grown in size from approximately 35 members to 55, has developed musically, has boosted school spirit and school activities, and has been one of the best sources of advertisement for Petersburg High School. Director of the band is Mr. William Fox, who is serving in this position for the second year.

The Junior Viking Band perform at the concert, and will be ready for the Viking Band next year.

CHOIR CLASS OPEN TO ALL STUDENTS

A class for those who like to sing could describe the choir class at Petersburg High School. The choir is open to all students in grades 9-12. During the year the choir presents several programs for the student body and for local and civic groups. At Christmas the choir participated in an all-school assembly by singing a cantata "The Night The Angels

Sang". Small groups taken from the choir have entertained on several occasions during the year. Two students attended All-State Chorus in Charleston during March, and the choir also participated in area clinics, spring programs and Baccalaureate and Commencement Services. The choir is directed by Mr. William Fox.

LIVING IS LEARNING

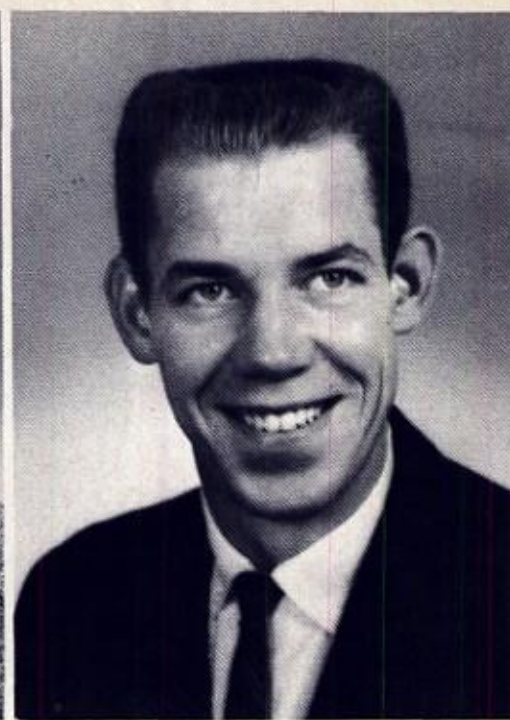

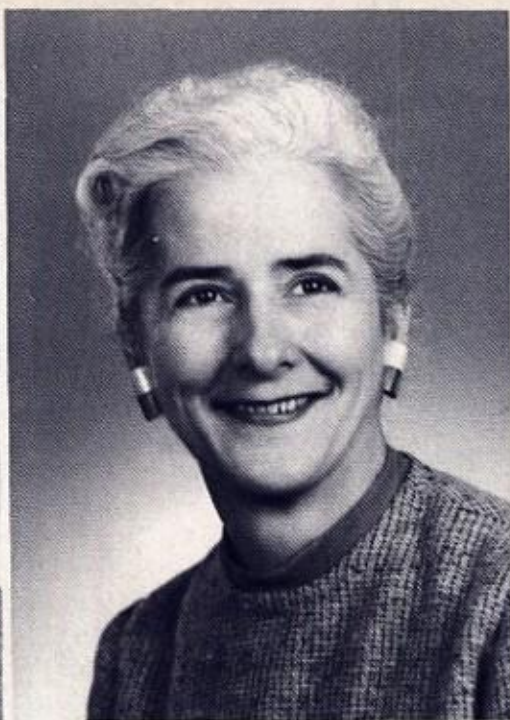

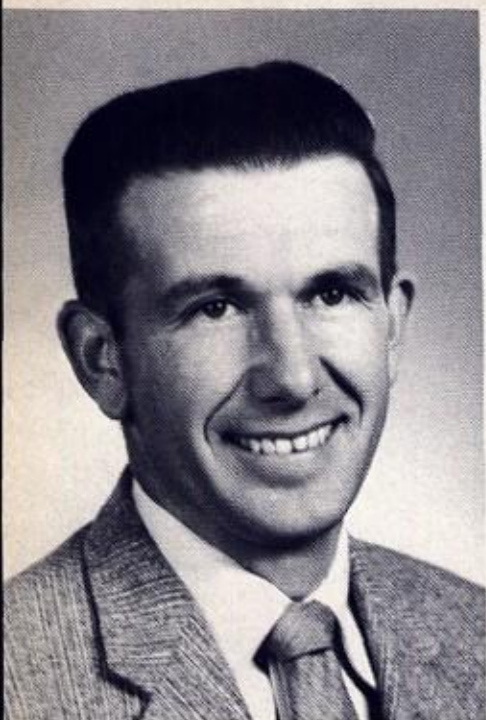

Graduation is the beginning of learning. Many seniors seem to think that their diploma signifies the end of the educational process. I would like to say that as long as we exist and retain our mental facilities our education progresses right up to death. Life is growth. When we discontinue growth we die. Upon reaching physical maturity the only growth process left is mental. Always strive for improvement of the basic skills you have gained at Petersburg High School.

SENIOR CLASS

The long climb has come to an end. The eighty-six students on the following pages have worked, played, and learned together. They have grown with their school and their state. Finally they realize high school life is all to end soon.

In their four years of high school, subject material became progressively more difficult. The freshman year emphasized citizenship and scholarship in basic courses in civics and algebra. As sophomores, they were introduced to the world of biology and geometry. American history and advanced math were studied when they were juniors. As seniors, the students took subjects which would help them to prepare for maturity, understand life, and select a position in our society.

At last it is all finished. They have progressed satisfactorily and have been made ready to go out and face the world on their own, but not alone, as graduates of Petersburg High School.

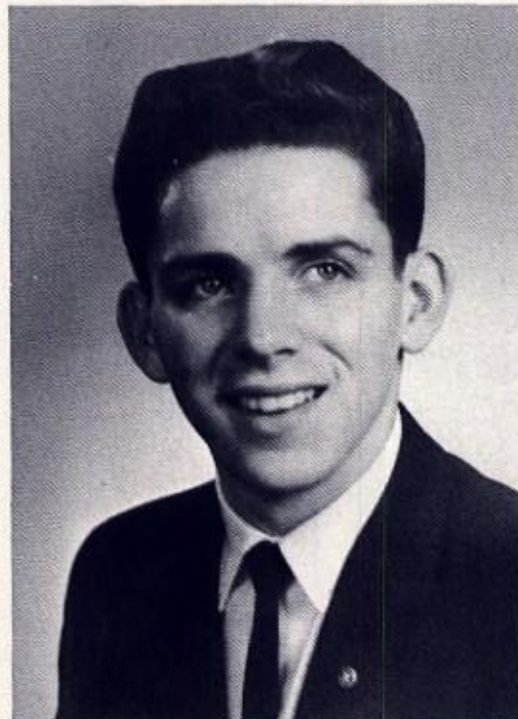

Senior class officers were: Bill Harman, president; Cecil Arnold, Vice-president; Carol Nelson, secretary; Denver Hipp, treasurer.

JUNIOR CLASS

The junior year is the last one in high school to prepare for the many new responsibilities which lie ahead in the senior year. It is necessary that students work with zeal as they move forward to whatever challenges they may meet beyond the next horizon -- in the final year.

There are many opportunities for juniors to express themselves and grow in ability to accept greater responsibilities. They are in position to play an increasingly important part in the progress of the school.

Junior Class Officers were: Tom Boor, president; Glenn Vance, vice-president; Janet Pack, secretary; and Norman Sites, treasurer.

FRESHMAN

Being a freshman is the first of four steps in secondary education. It is at this point that one makes some of the most important decisions in the high school career. It is necessary to decide which curriculum--general or college preparatory--one will need in the course of life. One is not only a "freshman", but a fresh man in the whirl of studying, working, and playing, as a student entering the most important years of life.

VIKINGS END SEASON WITH A 4-6 RECORD

The Petersburg Vikings, guided by head coach Wayne Barr and assistant coaches Jim Long and Carroll Michael, fought valiantly this year only to finish the gridiron season with a 4-6 record.

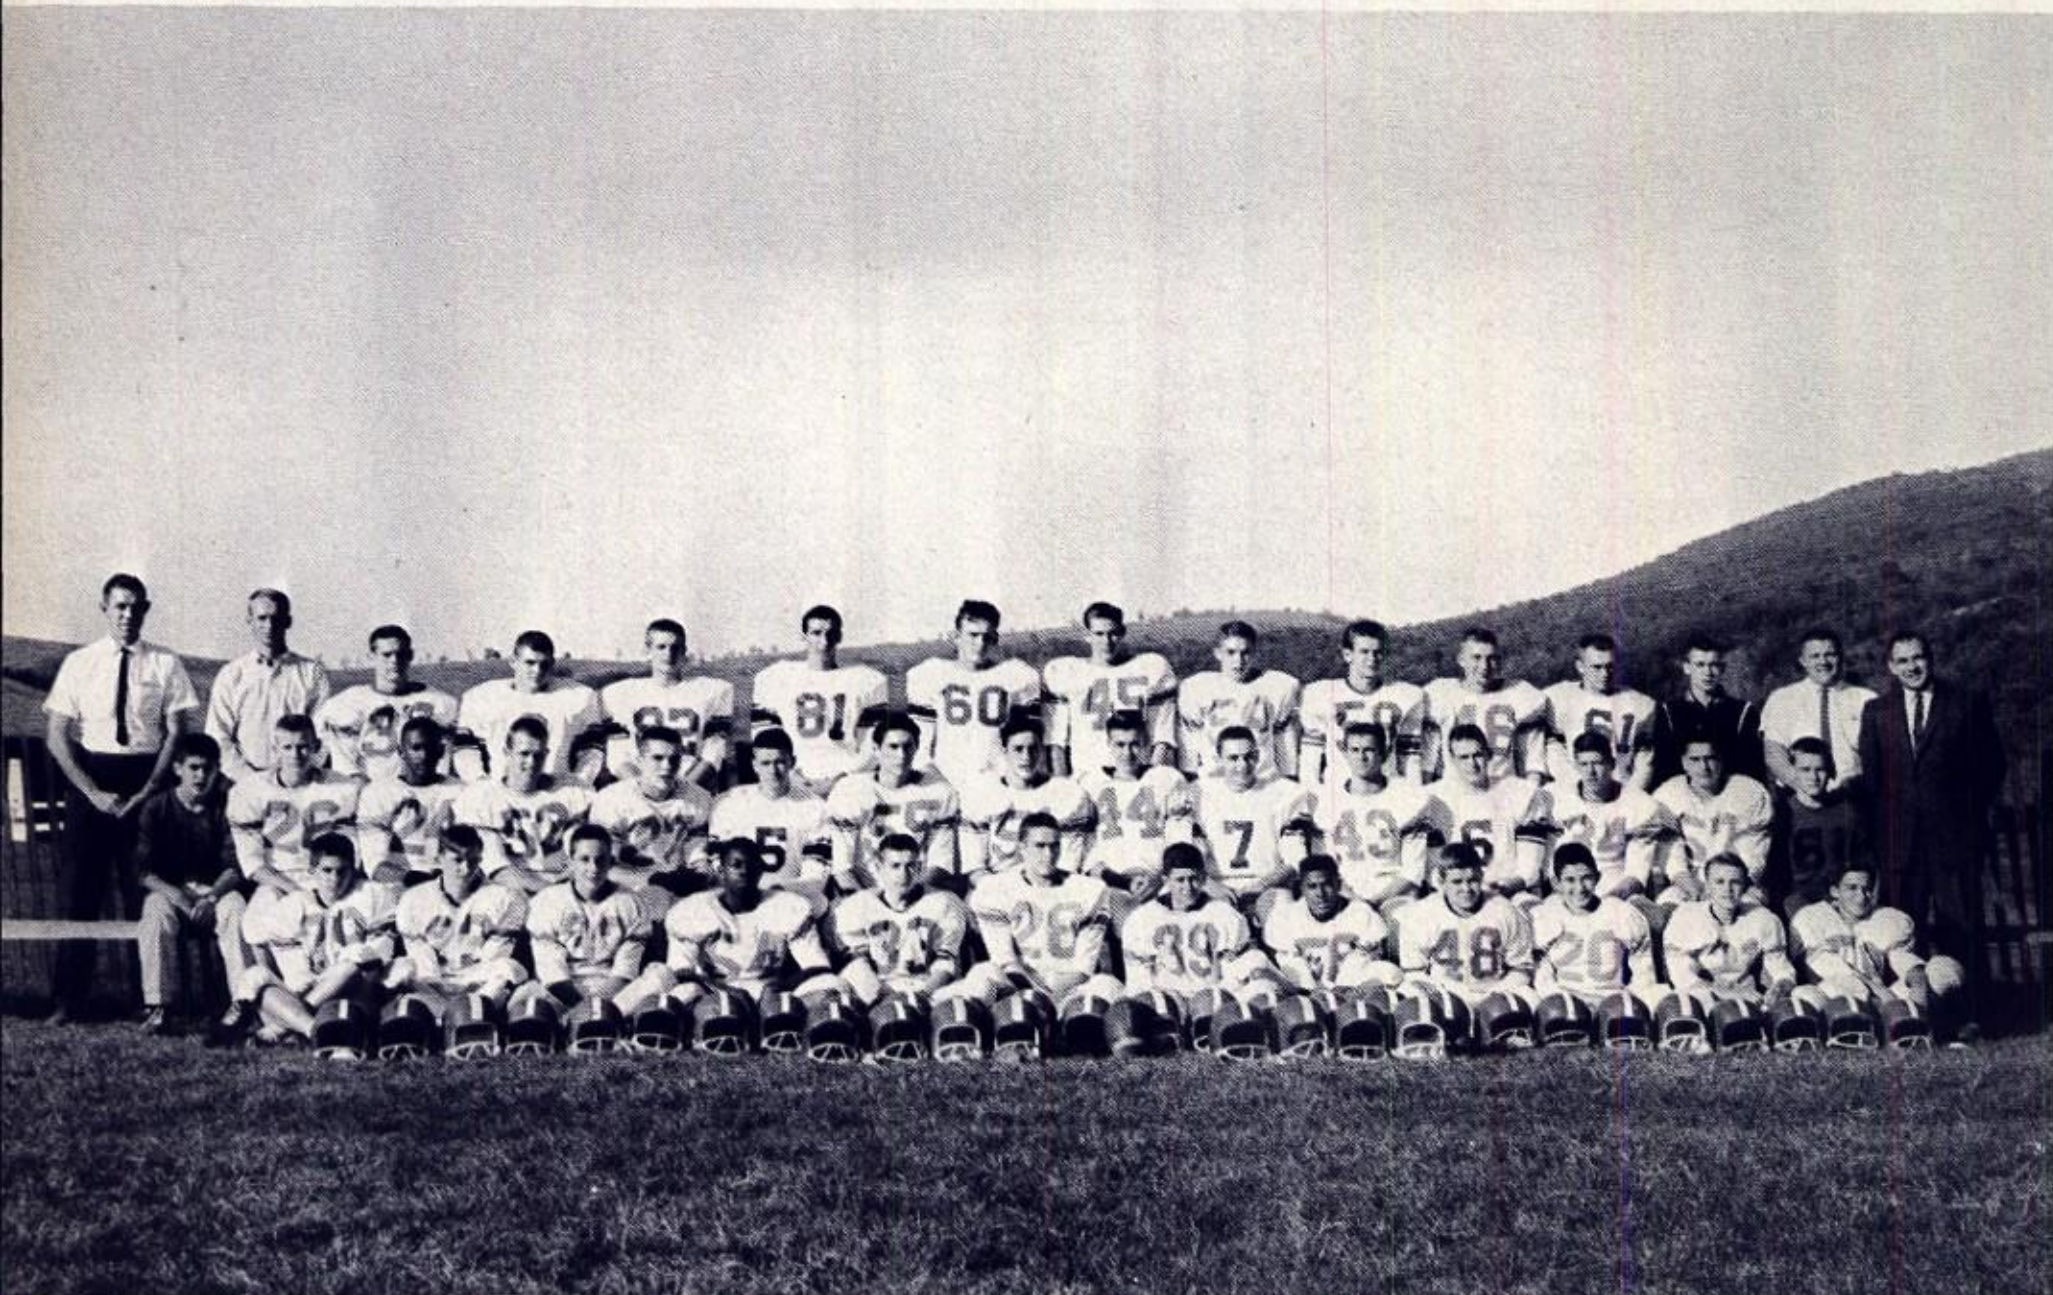

The four important victories were chalked up against Franklin 9-0, Ridgeley 14-7, Circleville 20-0, and Southern 35-0 in a most successful homecoming game.

The six losses came at the hands of Thomas 19-0, Moorefield 20-7, Charles Town 6-0, Beall 13-12, Keyser 20-0, and Romney 19-0.

Only four seniors were lost through graduation this year, Eugene Halterman, guard; Leroy Ketterman, fullback; Cecil Arnold, center, and Lee Thompson at end.

Two members of the Viking squad were named to the All-Conference first team this year, representing the entire Potomac Valley Conference. They were Leroy Ketterman, fullback, and Norman Sites, guard. Lee Thompson was named as second team end.

A highlight of Homecoming Day was the half-time ceremonies of the Southern-Petersburg game. Six floats were driven around the field and reviewed by judges. The sophomore float was selected first prize winner, the senior class float second.

After a presentation of music by the Viking Band, Rebecca Alt was crowned Miss Football IX by Mr. Robert W. Hupp, Principal. Miss Alt was attended by princesses Patricia Stonestreet, Mary Jane Snyder, Teresa Turner and Donna Fridley.

WRESTLING NEW AT P. H. S.

Wrestling is an up and coming high school sport which gives a boy of all sizes a chance to participate in an athletic contest.

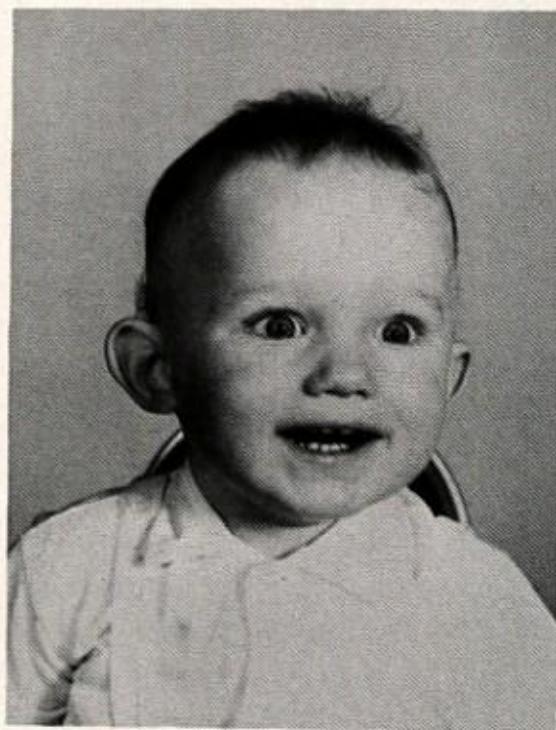

A match consists of six minutes, this being divided into three two-minute periods. The match is started from a standing position, the object being to pin your opponent. If no pin has occurred in the first two minutes, the players then take what is known as a referee's position on their knees. Points are scored for falls and reversals. If no pin takes place, the man with the most points wins. If a pin takes place, the individual gets five points which are totaled at the end of the match to see which team won.

The wrestlers are divided according to weight starting from 97 pound class up to what is called the unlimited class for those weighing over 177 pounds.

All in all, this is a rugged individual sport, which should be encouraged as an inter-scholastic sport. It not only builds good physical skills, but also gives the individual self-reliance.

ARCHERY CLASSES HELD WEEKLY

For a number of years, there has been an Archery Club in the county, but due to bad weather, club activities had to be halted with the coming of the winter months. The early fall of 1962 brought plans to go indoors during bad weather. Permission was obtained from officials to have the classes and shoots in B gymnasium. Target mats were purchased, and when everything was made ready, everyone was invited to attend the archery classes and to join the Archery Club. Classes are held each week preceding the club member's shoot.

Fifteen persons attended the first instructional class, and since that time there has been increasing interest and participation in the activities of the club.

The club is proud of its accomplishments thus far, and the members hope to keep archery going year round in this area from now on.

VIKINGS ROMP THROUGH SEASON

The Petersburg High School Vikings opened the 1962-63 season with 53-44 win over Circleville as Bill Harman scored 17 points. In a road game at Mathias, five Vikings hit double figures and the Vikings ran their record to 2-0 with an 82-66 win. Piedmont handed the Vikings their first setback of the season to the tune of 46-34 despite a tremendous 19 point performance by Dwayne Schinzing.

In an afternoon game played before the Petersburg student body, the Vikings nipped Bayard 61-49. Petersburg next journeyed to Franklin where they came from behind in the closing minutes to upset unbeaten Franklin 60-56. Petersburg swept top honors in the third annual Holiday Tourney with a 58-47 win over Circleville and a 67-43 romp against Franklin. The Vikings trailed nearly the entire game before topping Romney 67-63 to open play in the month of January.

Johnnie Koontz racked up 25 points to lead the Vikings over Mathias 71-57 at home. Keyser handed Petersburg their second loss of the season 55-54 in an overtime game despite a 24 rebound performance by Bill Harman. At this point in the season, the season, the Vikings lost Bill Harman due to illness and many of the other players were befell by injuries. The Vikings, with Jim Brodengeyer in the center position and Chuck Kimble in charge of the rebounding chores, squeaked past Circleville 59-57, bumped off old rival Moorefield by a score of 67-46 before losing successive games to Keyser 87-56 and Franklin 40-39.

At the time of this writing, the Vikings still had games remaining with Bayard, Romney, LaSalle, Piedmont, Moorefield and Monterey, Virginia.

Time out with Coach Michael.

The Future Farmers of America is a national organization consisting of farm boys from the ages of 14 to 21. These boys are learning improved farming methods and putting what they learn in class into practice. Vocational Agriculture gives the boys a chance to secure business experience and a chance to act as their own instructors.

At Petersburg the FFA is an integral part of Vocational Agriculture. Part of the program being carried on is the All-Day or classroom instruction by B. R. Dunn and G. R. Chadock. The other part is the Adult Farmer Classes directed by Mr. L. G. Stark. Mr. Stark holds night classes in the different schools of the community to keep the

farmers informed on up-to-date methods of farming.

The 1962-63 year was very successful for the Petersburg FFA Chapter. In July they began with Charles Smith, David Helmick, and Ralph Layton being raised to the degree of State Farmer, the highest degree which the state can bestow upon an FFA member.

The Soil Judging team placed third in the state. The Petersburg FFA Parliamentary Procedure Team placed third in the state after winning in both Federation and District contests. Abe Evans placed third in the Creed Contest and Ralph Layton placed third in the talent contest. The Secretary's Book placed second and the Third Year Record Book placed third after winning in the Federation Contest. The Petersburg Chapter had entries in the State Fair at Lewisburg which won nearly \$25.00 in prize money.

The FFA and FHA began a joint Centennial Project in August by cleaning up a grave yard on the Mr. Reid Dolly property.

In August, Petersburg repeated as winners in the State Angus Judging Contest.

September brought more honors. Doron Haslacker was elected Secretary of the South Branch FFA Federation serving 11 schools. At Morgantown in the annual FFA Judging Contests, with 40 schools participating, Petersburg won three of the eight contests and were named State Sweepstakes Champions for the sixth consecutive year.

The Petersburg Chapters of the Future Homemakers and Future Farmers of America are participating in a state-wide movement to aid in beautifying some of the potential tourist attractions which our State possesses as a part of the extensive program undertaken by the Centennial Youth Corps for a more beautiful West Virginia.

With the support of the Governor of West Virginia, W. W. Barron, and the President of West Virginia University, Paul A. Miller, the State Awareness Committee, composed of students of West Virginia University, is sponsoring a program to repair and or develop sites of natural beauty and historical value in preparation for the West Virginia Centennial celebration in 1963. The youth of West Virginia from each county will work on one site per county; these projects to be judged in the Spring of 1963.

tremendous job involved in putting the cemetery in a presentable condition and helping provide an access road to it so visitors may reach it with a minimum of discomfort and exertion became the centennial project of the Petersburg Chapters of FHA and FFA.

The graveyard, known as the Hutton-Weston Cemetery, is of historical value. It is believed that approximately 100 persons, some of whom were the early settlers of the Petersburg and surrounding areas, are buried there. Although interest has been maintained over the years in this particular cemetery, no active care has been taken of it. In the accompanying photographs the marker for the confederate veteran, Isaac S. Hutton may be seen. Mr. Hutton was one of the early citizens of Petersburg.

Petersburg Chapter officers: Becky Alt, Jane Hyre, Detra Harr, Peggy Davis, Cynthia Van Meter, Susan Stonestreet, Sue Carr. Ellen Groves was absent.

The Petersburg Chapter is a member of the national Future Homemakers of America, an organization of girls and boys studying homemaking in high schools of the United States, Puerto Rico and the Virgin Islands.

The national organization is composed of chartered state associations which are made up of local affiliated chapters from high schools.

The over-all goal of the FHA is to help individuals improve personal, family and community living, now and in the future.

Each of the three parts of the homemaking program teaches us necessary homemaking skills. Equally important, perhaps more important, each part helps us to gain a better understanding of

ourselves, our families and the people in the world about us.

Along with the nine chapter parents and our advisor, Mrs. Mohl, the 62 members of the Petersburg Chapter engaged in many activities this, our West Virginia Centennial year. Besides the Centennial Project that we are to continue working on throughout the year, we planned a "Sweetheart's Ball" which was held on February 16 to honor Mr. and Miss FHA and our parents.

The Future Homemakers of America has done much to better our community and develop personal and family living standards.

Among the projects completed were: Tabulating blood donor records after each of the visits of the American Red Cross Blood-mobile to Grant County, planning, preparing and serving luncheons to the Eta Chapter of the Delta Kappa Gamma Society and the Grant County Classroom Teachers Association, making apple butter in the canning center for sale as a money making project, participation in the observation of American Education Week and National FHA Week, assisting the county committee in the March of Dimes Drive by addressing envelopes, tabulating money received, and reporting to the general chairman.

The Petersburg Chapter was honored to have its president, Debra Harr, also elected to the office of president of the West Virginia Association Future Homemakers of America.

FUTURE TEACHERS LEARN BY DOING

The A. E. Krause Chapter of the Future Teachers of America has been active in student substitute teaching in the high school and the Petersburg Grade School. This experience has influenced and encouraged the members to consider more seriously entering the teaching profession.

The local chapter is a part of a nation wide organization of the Future Teachers of America, sponsored by the National Education Association. Its membership includes students in grades 1 and 12 who are interested in the teaching profession.

Some of the goals of the organization are to promote the growth of responsibility, to maintain in students an attitude of honesty with all associates, to encourage students to take advantage of every opportunity of educational growth, and to strive to maintain physical fitness in order to remain mentally alert, physically strong, and personally attractive.

The FTA seeks to enable members to study and to identify the qualities, traits, and aptitudes which are basic or related to successful teaching and to acquire an understanding of the history and development of our public schools, their purposes and objectives, and in appreciation of the contribution they have made to our democratic, free society.

During American Education Week the FTA presented an apple to each teacher to show appreciation for them.

Officers serving the chapter this year were:

Vice-President	Richard Roby
Secretary	Shirley Roby

HONOR SOCIETY EVALUATES GRADES FOR HONOR ROLL

The National Honor Society is composed of members from the Junior and Senior classes throughout the nation. The national headquarters is located in Washington, D. C.

The Petersburg Chapter was organized in 1937 with a membership of seven. The present membership is nine, prior to the induction of new members eligible for the current year.

Members of the society are selected from a list recommended by the faculty. The nominees must have a B average or higher and show distinct traits of the organization's four ideals; to promote leadership, to build enthusiasm for scholarship, to stimulate a desire to render a service and to develop character in the students. The candidates that are finally selected are inducted before the entire stu-

dent body at a special candle light assembly.

An annual project of our local chapter is the evaluation of the students' grades for the honor roll at the end of each six weeks period. The point system is now in use for this evaluation. Any students having between 67.5 and 80.0 points are placed on the honor roll. This arrangement is somewhat different from that of previous years.

KEY CLUB BOYS ACTIVE IN VITAL SCHOOL - COMMUNITY PROJECTS

The Key Club is a high school service organization under the sponsorship of the Petersburg Kiwanis Club. It is composed of the outstanding members of the upper three classes of our school who have pledged their services to the school and to the community.

The faculty advisor for the club is Mr. Linton Sites, with Mr. Bill Fox and Mr. Billy Ray Dunn assisting him.

A few of the projects the club has completed this year are: polished the school trophies, aided the PTA with the annual Halloween Carnival, helped the local firemen put up the Christmas decorations downtown, assisted with the visiting American Red Cross Bloodmobile, distributed toys to needy children at Christmas, and conducted several announced and surprise fire drills at school.

For money making projects the club held a car

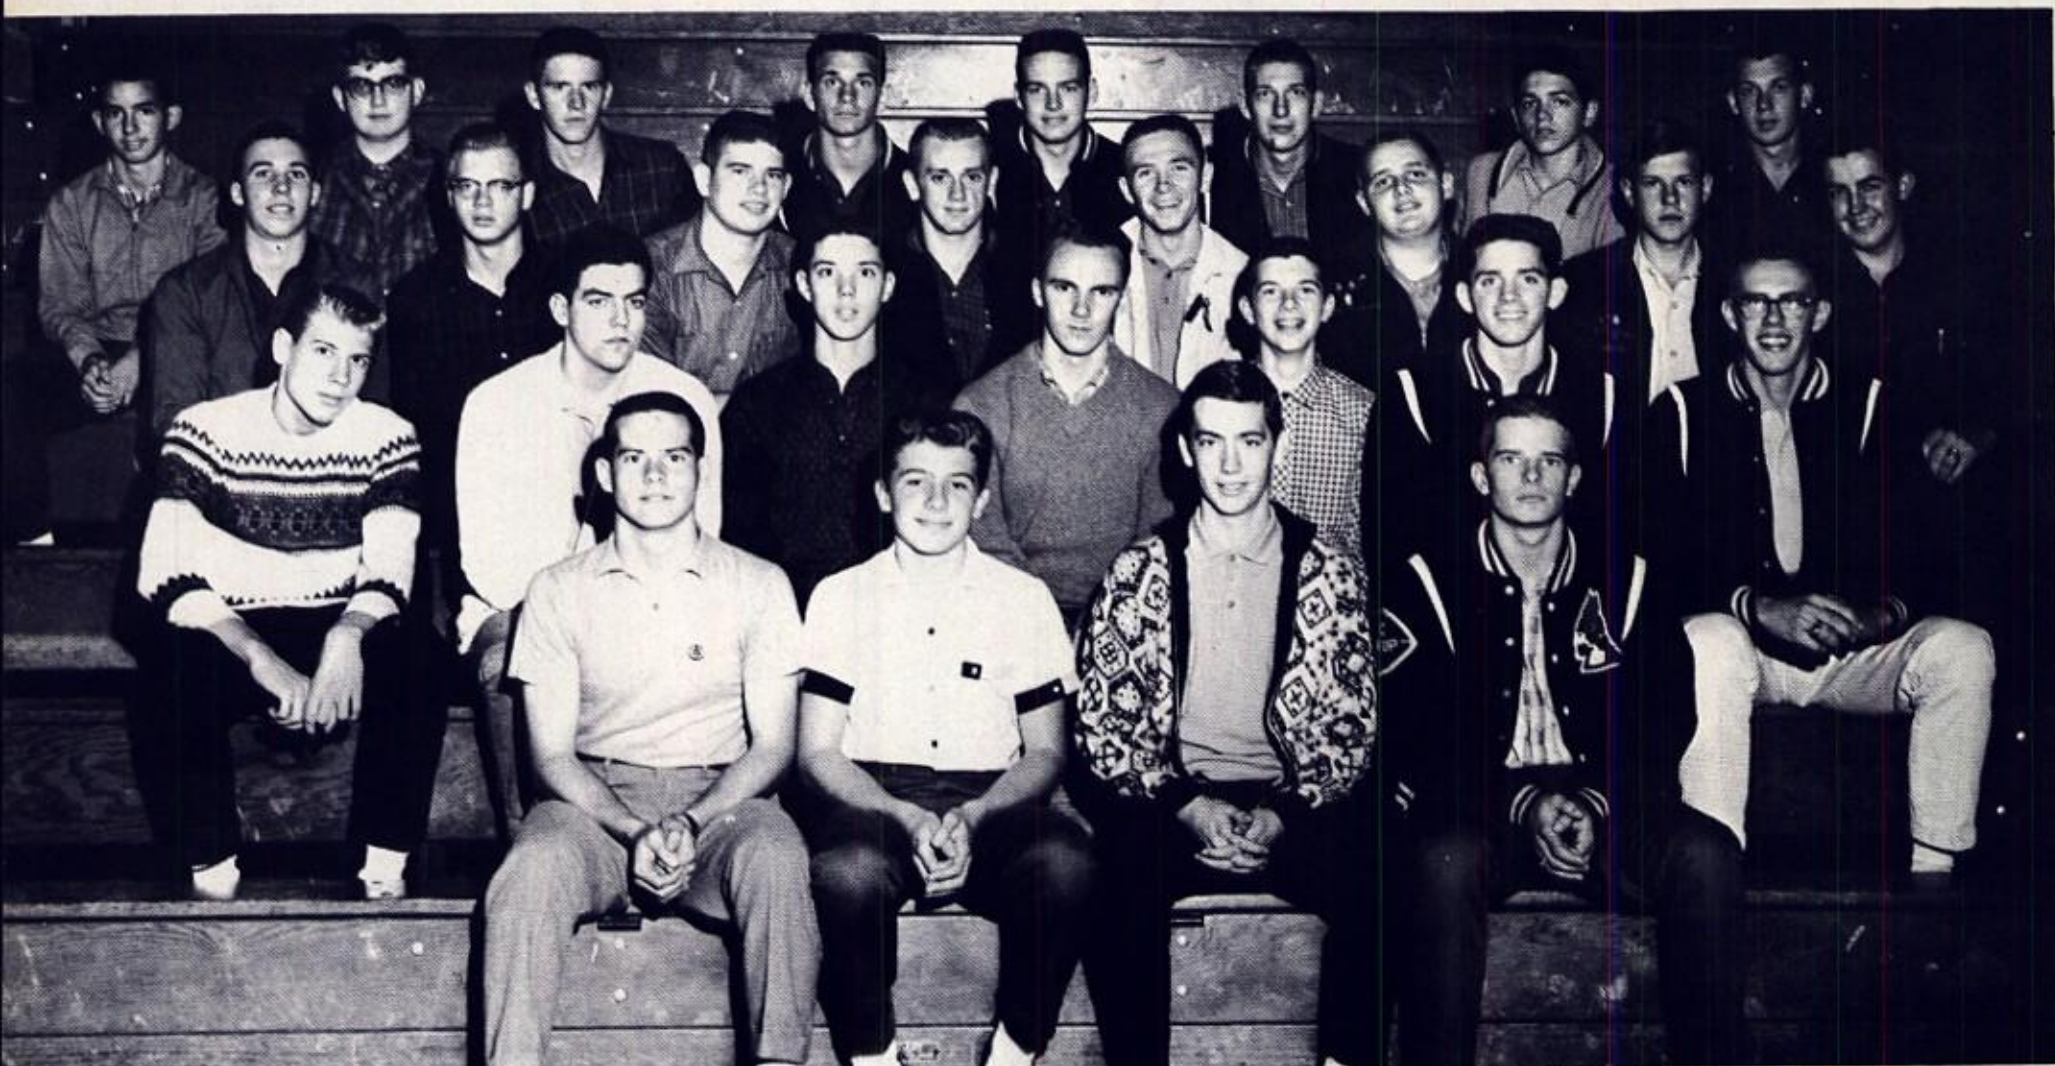

wash and sponsored a dance along with the Keyette Club.

One of the most enjoyable events of the year was a luncheon in Keyser of the whole fifth division. The speaker for this meeting was the West Virginia Governor, W. W. Barron.

The officers for the year were:

KEYETTES SERVE SCHOOL AND COMMUNITY

The Keyette Club is a service organization sponsored by the local Kiwanis Club. The Keyettes are members of the sophomore, junior, and senior classes who have met the qualifications of scholarship, leadership, and character.

The West Virginia Federation of Keyette Clubs was discontinued last year, but the local club still participated in the Keyette Scoreboard.

Although it was not a requirement to carry monthly projects, the Keyettes carried out certain community and school projects. Among these were such school projects as Keyettes helping teachers with classes and with grading papers.

The Keyette Club this year consisted of twenty-

eight members. The officers were:

President	Kathy Groves
Vice-President	Mary Waddy
Secretary	Pat Harmison
Treasurer	Debra Harr

THE STUDENT COUNCIL - LINK BETWEEN STUDENTS - FACULTY - ADMINISTRATION

The Student Council benefits the students, the faculty, and the administration by promoting better student-faculty-administration relations.

This year the council carried out many worthwhile projects. It distributed "Code of Ethics" cards to all new students, made posters featuring different points of the "Code of Ethics," held locker inspections, sponsored a bulletin board contest at Christmas, had a Christmas Dance, chose Miss Pep, took care of the "lost and found" department, and supervised the selection of the students of the semester.

The council sent representatives to the State Student Council Convention and to the fall and spring meetings of the Eastern District of Student Councils.

The Student Council furnishes a working model of government for high school students and gives the opportunity to participate in such a democracy.

"CHEAPER BY THE DOZEN"

The Junior Class put on their play "Cheaper By The Dozen" on November 30. The play is a three-act comedy about a family with twelve children ranging in age from eight to seventeen. The three oldest girls, Ann, Ernestine, and Martha, try their best to get their father to let them wear grown-up clothes. The girls did not know the reason he wanted to keep them young was because of his heart condition.

The cast consisted of Sull McCartney, Mr. Gilbreth, the father; Mary Waddy, Mrs. Gilbreth, the mother; Teresa Turner, Ann Gilbreth, the oldest of the twelve children; Debra Harr, the housekeeper; Jerry Cowherd, the family doctor; Tom Boor, Joe Scales, a cheerleader; Letha May, Miss Brill, a teacher; and Eddie Thorne, Larry, someone "special." The rest of the twelve children are Ernestine, Priscilla Getz; Martha, Delores Van Meter; Frank, Bobby Dettinburn; Bill, Norman Sites; Lillian, Donna Fridley; Fred, Charles Fisher; Dan, Lawrence Foley; and Jackie, Jane Hyre.

The faculty members that helped make the play successful were: Mrs. Arnold, the director; Mr. Hawse, Miss Bergdoll, Mrs. Kimble, Mr. Fox and also Mr. Reggie Kimble, not a teacher but very good worker.

Persons helping behind stage were; Larry Sydenstricker, Doug Schinzing, Roy Hyre, David Hyre, John Ketterman, John Hawse.

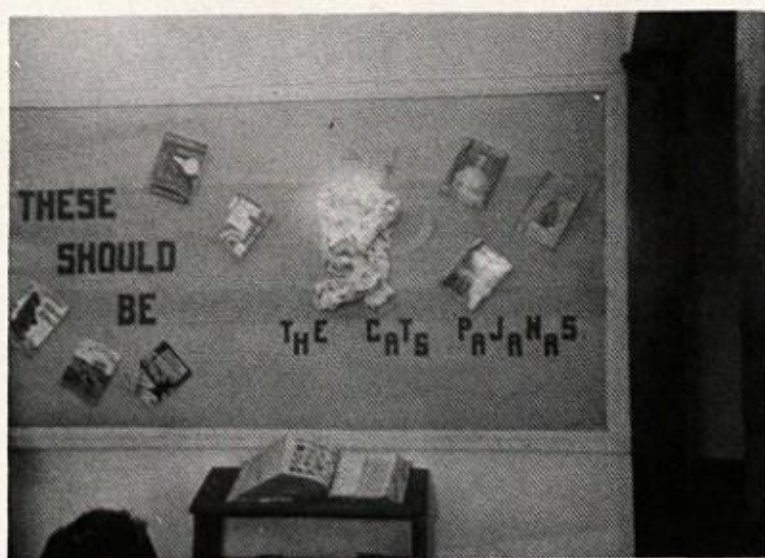

Student assistant directors were David Cuppett and Margaret Jayne Toothman.

THE PETRO-SCHOLA STAFF

The Petro-Schola staff would like to take this means of saying "Thank You" to each and everyone who contributed, either financially or personally, to the publication of our yearbook.

Our special thanks go to Mrs. Mohl, our advisor, who was so patient with us when we failed to do the right thing. Her late hours working by herself, and all the work which she did that should have been done by staff members, is all appreciated.

Thank you, Mrs. Mohl.

The Staff

It isn't such distasteful work after all, is it?
